

SAFETY DATA SHEET (SDS)

SECTION 1: PRODUCT NAME: DEGREASER

Revision Date: AUG. 2023

OTHER NAMES: OCEAN SPOT SCUM DEGREASER

SECTION 2: COMPOSITION: (MAJOR)

LAB, sodium hydroxide, ammonium oxalate, sodium hydrogen carbonate.

SECTION 3: APPEARANCE: Light green liquid

SECTION 4: HAZARD:

Ingestion may cause gastro-intestinal distress with nausea, vomiting and diarrhea and may cause redness, blurred vision and corneal damage upon contact with eyes. May induce itching on contact to skin. Extremely low toxicity

5: FIRST AID:

SKIN:

Wash affected area with plenty of water, if itching is noticed seek medical attention.

EYES:

Flush with plenty of water at least 15 minutes, seek medical attention,

INGESTION:

Do not delay, obtain medical attention immediately

SECTION 6: FIRE EXTINGUISHING AGENTS:

Use extinguishing agents appropriate to the surrounding conditions.

SECTION 7: SPILLAGE MITIGATION:

Absorb/prevent spreading by using sand/earth and do not wash away remainder with plenty of water.

SECTION 8: OTHER INFORMATION

Personnel must wear protective clothing, PVC/Rubber gloves and boots before handling.

SECTION 9: HANDLING AND STORAGE

Handling: Use normal good industrial hygiene practices.
Packaging material: Steel or plastic containers, store in a cool dry place.

SECTION 10: EXPOSURE CONTROL/PERSONAL PROTECTION:

No exposure limits established.

PPE	Hand	Impervious Gloves
	Eye	Face shield
	Skin	Appropriate protective clothing.

SECTION 11: PHYSICAL AND CHEMICAL PROPERTIES:

Appearance	Light Green Liquid	
PH	7.5 ± 0.5	ASTM D1293
SPECIFIC Gravity at 60°F	1.00 ± 0.05	ASTM D1217
Viscosity at 40°C/cSt	4.00 ± 0.5	ASTM D445

SECTION 12: STABILITY AND REACTIVITY

Stable	
Hazardous reaction	None established

SECTION 13: TOXICOLOGICAL INFORMATION:

Ingestion	May cause gastro-intestinal distress with nausea, vomiting and diarrhea
Skin	Itching and redness
Eyes	Redness and blurred vision. May result to severe damage.

SECTION 14: ECOLOGICAL INFORMATION:

Harmful to aquatic organisms
Reduces water surface thickness

SECTION 15: TRANSPORT INFORMATION

Packaging Steel drums and plastic containers

Note: Not dangerous for transportation

SECTION 16: REGULATION INFORMATION:

LABELLING INFORMATION:

Label Name: Degreaser

Hazard Symbol: Harmful

Risk Phrases:

- * Harmful if swallowed
- * Irritating to eyes * Irritating to skin
- * In case of contact with the skin, wash immediately with plenty of water.
- * Wear suitable protective clothing gloves and eye protection
